Minutes

C3L

1. Server Management

The server has been cracked. The attacker came from a Tango IP ().

2. entr0py

Date: 15/03/2014
Time: 12h30 @ Radio ARA
Topic(s): FNF, Bug of the month, CDays, FVDE Update, Music, MTGox, Repair Café

3. CDays

Topic: cryptoEvent

We are going to lecture about the cryptocalypse plain and simple. It's a bit like a cryptoParty. Teaching the pupils basic stuff of cryptography and anonymity on most simple way as possible, so they can protect their data.

How to secure which Operating Systems:

- MacOS / iOS –> prometheus
- Android –> virii
- Windows –> trollchen
- GNU/Linux –> All of us

Basics:

- Cryptography
- NSA Scandal
- Rules of Engaement

4. Gathering plastic bottle caps

We start collecting plastic bottle caps to fund a seeing-eye dog. We are official partner of Inter-Actions - Haus vun de Kanner. There logo and reference will be placed on the bottom page of c3l.lu

5. General Assembly

The yearly General Assembly will take place on the 15th of March 2014 @ 5h30 PM. Venue: 23, Um Kettenhouscht, L-9142, Bierden, Luxembourg

1. Welcome Speech
2. Activity Report 2013/2014
3. Financial Report 2013/2014
    1. Financial Auditing Report by Kelly & Dennis
4. Statute Proposals
5. Code of conduct
6. Misc
7. Election of a board
8. Election of the president
9. Closing Event

6. Security Conference

We need to prepare.

7. Vakanz zu Esch

Organizer(s): Jan

14/07/14 –> LightPainting
17/07/14 –> Build a radio out of a RaspberryPi
24/07/14 –> Makey-Makey

8. Repair Café

We are going to sew some protective smartphone sleeves. For ourselves and to sell.

Material: HF+NF / Abschirmvlies HNV80 / Breite 100 cm / 1 Laufmeter –> 21.90€ Shop: http://www.yshield.com/vliese-gewebe/hnv80.html

The idea originally comes from KillYourPhone.com. There has been a slightly altered version of the

sleeve been documented in a Spiegel article, which seems more handy.
